

Flying Fiddles Webinar Postponed - New Date(s) Coming Soon

Thank you for your interest in the upcoming ***Flying Fiddles in Practice*** webinar hosted by Jeanne Porcino Dolamore, and originally scheduled for Wednesday, August 20, 2025. We are postponing and expanding the event to enable a three part webinar and to ensure the best possible experience for all interested teachers. We will announce the new date(s) soon.

Note: While a new *Flying Fiddles* website is under construction, please email Gerianne Wigboldus gerianne@gerianne.com or Jeanne Porcino Dolamore flyingfiddles2023@gmail.com for further information and updates via email.

Jeanne Porcino Dolamore and Gerianne Wigboldus were honored to present *Teaching and performing with beginning violinists: The Flying Fiddles Series* at the 53rd ESTA International Conference (May 28 - June 1, 2025) in Amersfoort, Netherlands. It was truly wonderful to meet and share ideas with string teachers and performers from around the world, whose passion and dedication continue to inspire our own work.

Flying Fiddles® Book 1, second edition was also featured by Gerianne Wigboldus in her article for the recent edition of the ESTA Netherlands ARCO magazine. It is our collective hope that the concepts, images, and instructional practices presented in *Flying Fiddles® Book 1*, second edition will be helpful and transformative in your own teaching.
